Hi folks,
Here is the draft so far for Jane Remarks for Day 3 of the WHO Air Pollution and Health Event.
You can see the section where the specific examples of US commitments that we decide to include will go.
I did not get around to inserting material from USAID and their program in India. Here is the short snippet and I will also forward to Brianna the email from USAID, just sent to me by Marianne to see how we might want to incorporate it.

Ex. 5 Deliberative Process (DP)

I will plan to come in early on Wednesday, Oct 24 for Jane pre-brief and Del call. I will need to make at least some kind of showing at our CEC workshop (I really feel back about short changing them on my participation). Oh well.

The best way to connect with me while I am at the CEC event is probably by text message at Ex. 6 Personal Privacy (PP)

Ted
